Issuing a Card	<p>The Referee that signalled the offence shall be responsible for issuing the card, ensuring compliance and restarting the match.</p> <p>The process below must be followed when a Referee issues a Card:</p> <ol style="list-style-type: none">2. Require the player to come to the Referee, placing themselves approximately 1 metre away, allowing no other Player closer than 3 metres.3. If the offender is in the Technical Area (aka the Team's Bench), they shall be required to stand, with the Referee moving to them.4. The Referee <u>should</u> calmly, firmly and briefly tell the recipient of the Card, the offence they committed and require them to indicate they understand (just a nod is fine). It is not a discussion.5. Players that remonstrate, must be considered to be exhibiting Bad Behaviour and penalised accordingly.6. The Referee will, looking at the offender, issue the Card in their hand by extending their arm directly upward, then turn to show the Timekeeper and indicate the player number.7. The Referee restarts the match only after the recipient has left the Rink and entered the Disciplinary Area.

<p>Two (2) defending players from the same team are issued Blue Cards at the same stoppage in play.</p>	<p>Power-Play penalty time is counted <u>as aggregated time</u> for simultaneous offences, so the additional time is added on, starting at the end of the previous powerplay. The suspension time of the players however runs at the same time. <u>So 2 blues cards issued in the same stoppage to the same team results in a 4 min power play, but both players can return to their bench having served their simultaneous 2 min blue card offence.</u></p> <p>Suspended players can only get back in the match after completing their full suspension time penalty.</p> <p>Note: The Disciplinary cards are issued in “stoppage” which is why there is not a Direct Free Hit.</p>	Defenders	Blue Card	Restart

Disciplinary Sanction	A card given always has a disciplinary sanction. This is the power play time that is applied to the team. This is either 2 minutes for a blue card, or 4 minutes for a red card. If a team already has two powerplays awarded against them, and is issued a third card, the powerplay time for that card is 5 minutes. However, the suspension time for the player is still 2 minutes for a blue card.			
Technical Sanction	The technical sanction for a card is a direct free hit or penalty shot. These are only applied if the card was given during play, and not during a stoppage.

To achieve this, they should move to control Indirect Free Hits and Face-Offs on their side of the rink, with the other referee moving to take their former position and/or signal to the other Referee to change ends when a period of 5 minutes with out without changing ends is exceeded</p>			
Positioning - General Play	<p>Each Referee must maintain consistent visual contact with the other and position themselves so as to be moving to locate themselves as follows:</p> <ol style="list-style-type: none"> 1.
